#### ABOUT THE DESIGNER

ROGER THOMAS is a recognized leader in interior design for the hospitality industry and is currently the Executive Vice President of Design for Wynn Design and Development. He created the interiors of Wynn Las Vegas and Encore at Wynn Las Vegas, and led the interior design of both Wynn Macau and Encore at Wynn Macau. Prior to the Wynn and Encore, Thomas designed the luxury Las Vegas resorts Bellagio and Treasure Island and was a major contributor to the design of the interiors at the Mirage, and has designed corporate offices and aircraft interiors for Mirage Resorts Inc., as well as the private residences of Mr. and Mrs. Stephen A. Wynn, then chairman of Mirage Resorts.

**SAMUEL & SONS**, the premier passementerie tradition in the interior design community, announces the launch of its first creative collaboration with Roger Thomas, world-renowned interior designer of

Wynn Resorts. Through his travels, Thomas has gained inspiration from countless hours spent in the antique districts of major European capitals to find extraordinary examples of passementerie from the 18th, 19th and 20th centuries, the best of which have inspired the architecture of forms in this collection.

The colors in the collection are taken from Thomas' favorite paintings, as experienced in his habitual museum visits, during his travels. Inspiration includes mango yellow from a Tiepolo gown seen in Berlin, lacquer red found in a Vermeer table carpet at the Frick Collection, blue from the bodice in a Chardin in the Louvre and an extraordinary green memorized in a Bellini Sacred Conversation painting in San Zaccaria in Venice.
